1956-1957 has been a significant year at Armstrong The growth of the college enrollment has been phenomenal since the first class in 1935. From only one hundred and fifty students in that year the number has soared in 1956-1957 to over a thousand including those in the Armstrong Evening College. The college in the past has managed to handle this expansion with ease but during this vital year has turned for the first time to ask community support in a building fund drive. The goal of this drive is $225,000 to be used to erect a badly needed addition to Gamble Hall, our science building. Although activities have gone on as usual the fund drive, we feel, has been a highlight of this school year.

The staff of the 1957 'Geechee sincerely hopes it has by word and picture made a faithful record of college activities for this academic year.

THE 'GEECHEE STAFF

1957 GEECHEE DEDICATION

The 1957 'Geechee Dedication goes to a member of the faculty whose sincere devotion to his teaching duties and whose earnest willingness to give of his own time to aid the students have placed him high in the respect of all students who know him. His friendly attitude leaves no doubt of his willingness to help those students who need and desire his aid. This, of course, is Mr. Jack Padgett.

Mr. Padgett holds a bachelor's degree from Wofford College and a Master of Arts degree from the University of North Carolina. He came to Armstrong in January of 1952 as an instructor in mathematics and has recently added the teaching of physics to his schedule. In June Mr. Padgett will assume new duties as the college registrar although he will continue to do some teaching. The best wishes of the 'Geechee staff are extended to him in this new assignment.

OUTSTANDING SOPHOMORES

JERRY MULLER

The 1957 Sophomore Class elected from its membership the outstanding students pictured on these pages. Those receiving this honor represent a wide variety of college activity ranging from scholastic achievement to outstanding contributions to the college sports scene. It is felt that this variety is a healthy sign in that it demonstrates the wide but balanced gamut of interests fostered by the Class of '57.

From these students Jerry Muller, class president, was named Most Outstanding. Jerry served also as Student Body President and, as such, presided over the Senate, was editor of the '57 'Geechee, Treasurer of the Wesley Foundation, a member of the Masquers, the Canterbury Club, Homecoming Court, Fraternity "X", the Permanent Dean's List, the Interim Committee and last year brought the Georgia Junior College State Golf Championship to Armstrong. Need it be said he deserves the honor bestowed upon him!

CANDLER NURSES

LaVerne R. Johnson
R.N., B.S.N.E.
Director of Nursing

The nurses from the Warren Candler Hospital School of Nursing attend Armstrong during the Freshman year to take scientific courses related to their specific field such as chemistry, anatomy and physiology.

A busy schedule at the hospital keeps the nurses occupied so that they are unable to participate to any extent in extra-curricular college activities. But social life for these freshmen students is not entirely absent as they sponsor dances of their own in Jenkins Hall and have their own active glee club in the school of nursing.

Dr. Irving Victor addresses the Student Senate on the necessity of an addition to Gamble Hall.

GEECHEE

The 1957 'Geechee staff began as one of the largest annual staffs in recent years. With a few experienced returnees from the previous year and some ambitious freshmen, a staff was readily assembled and work begun under leadership of the editorial staff.

Along the way the staff faced the same old problems: late copy, misplaced pictures, indecision, missed deadlines, and just plain procrastination. But as the year progressed, the work was gradually brought to completion, sent to the engraver and printer, and the staff settled back to await that day in spring when the good word would be "the 'Geechee is here!"

All considered it doesn't seem possible that any annual staff could expend more time, energy, and sweat than was spent on the '57 'Geechee.

1957 'GEECHEE editor, Jerry Muller.

The '57 'Geechee Business Staff was able to weather a change of horses in midstream as Harriet Sapp, assistant business manager, ably continued the work begun by J. B. Goff in the fall. Together they managed to sell enough advertising to insure a balanced budget for the '57 annual.

In the spring the Glee Club plans a musical with the Masquers.

The Inkwell

Vol. XXII Armstrong College of Savannah, Ga., January 23, 1957 No. 7

Progress has been the theme of the INKWELL this year. For the first time in several years, the INKWELL returned to a "printed" paper to replace the home-produced multilith product of recent years. The improvements in appearance and quality of copy have certainly justified the additional expense involved. Interesting articles, fine editorials, a variety of material have characterized this year's INKWELL. Much credit for these improvements goes to Bob Joiner and his fine staff for making the INKWELL a good representative college paper.

Inkwell Editor: Bob Joiner.

Associate Editor: John Hopkins.

Business Manager: Patsy Nicholson.

Typists: Marian Alexander and Martin Stelljes.

Sports Staff: Dickie Adams, "Scoop" Scoggin, "Flash" Spann.

Metronome Editors: Julius Hornstein and Tony Cope.

Club Editor: Fred Lubs.

Reporters: Frank Leutwyler, Catherine Cetti, Irma Davis, Freddie Drexel, Ann Youngblood, and Linda Nease.

BETA LAMBDA

Beta Lambda is Armstrong's club for girls interested in home economics. Each year the members of the club prepare and serve the homecoming reception and the basketball team banquet.

First row: Barbara Barton, Marise Cammer, Georgia Freeman, Mrs. Denmark—Advisor, Linda Nease, Jaunice Romano, Judy Winkelmes. *Second row:* Ann Youngblood, Margie Evans, Judy Carter, and Gene Pierce—President.

Patricia Beiser, Jaunice Romano, Ann Ross, Mrs. Hawes, Lorna Lapp, Anne Mills, Irma Davis, Georgia Freeman, and Betty O'Donnell.

WESTMINSTER FELLOWSHIP

The Westminster Fellowshi is a newly-formed religious clu at Armstrong. Patricia Beise is President, and Mrs. Hawes i the advisor.

DEBATE FORUM

Harris Kandel and Patsy Nicholson, members of Armstrong's Debate Forum, won third place at the All Georgia Debating Tournament held in October. Patsy Nicholson also won a third place award as an individual debater. The team planned tours of colleges in Florida and to Emory.

Debate Team: Patsy Nicholson, Danny Kight, Mr. Beecher—Debate Coach, Anne Mills, and Harris Kandel.

DANCE COMMITTEE

The Dance Committee is in charge of Armstrong's dances—the decorations, music, refreshments—in fact, general supervision.

First row, left to right: Beverly Hursey, Gene Pierce, Miss Crockett—Advisor, Lucy Trosdal—Chairman, Anne Mills, Joyce Krenson, Georgia Freeman, Ann Youngblood. *Second row:* Barbara Barton, Judy Carter, Carolyn Brinson, Linda Nease, Jaunice Romano.

THE MASQUERS

For the Armstrong Masquers '56-'57 proved to be a successful year. The fall production, "The Gorilla," the story of a couple of inept detectives and a bizarre criminal provided many laughs for all. The scenes on this page show the Masquers in rehearsal for Thornton Wilder's "Our Town". This play, scheduled for production during the winter quarter, had to be postponed until early spring because of the demands of the Building Fund Drive on everyone's time. As copy for the annual goes to press the Masquers proposed production for the spring is the Gershwin musical, "Of Thee I Sing" to be produced in conjunction with the Glee Club.

GEECHEE QUEEN

Among the 19 candidates presented at our assembly the judges chose Vicki Beall, a Freshman Liberal Arts student to reign as Armstrong's 'Geechee Queen.

Vicki, sponsored by Fraternity X, is a Cheerleader and a member of the Masquers. Five-feet-five with brown eyes and brown hair, Vicki is known by her smile and cheerful disposition. Good natured with a happy laugh and a willingness to help anyone, she has won the respect of all students at Armstrong.

With these qualities we think she is an ideal 'Geechee Queen of 1957.

So queenly, bright, carefree and gay.
